Memorandum

here: Report of the depositary

Since the last report of the depositary (October 2015) and until this day, the Convention has entered into force for the following countries:

the United Arab Emirates 1 May 2016

the Republic of Iraq 1 August 2016

This brings the total membership of the Convention on Migratory Species (CMS) to 124 members.

Germany engages in the following initiatives to recruit new members: recruitment efforts are primarily undertaken by the CMS Secretariat in Bonn. At the same time, the Federal Foreign Office contacts German Embassies abroad which then provide assistance, for example, in matters relating to the signing and ratification of the Convention. The Embassies are hence also involved in the recruitment of new members.
